
DYNAMIC TOPOGRAPHY, THE GEOID, AND SEA LEVEL CHANGE

DISCUSSION – MONDAY, 9/24/01
SUMMARY DUE – TUESDAY, 9/25/01

READINGS FOR EVERYONE

Mound, J.E., and Mitrovica, J.X., 1998, True polar wander as a mechanism for 2nd-order sea level variations: *Science*, v. 279, p. 534-537.

INDIVIDUAL READINGS

Morner, N.A., 1976, Eustasy and Geoid Changes: *Journal of Geology*, v. 84, p. 123-151.

Christie-Blick, N., Mountain, G.S., Miller, K.G., 1990, Seismic stratigraphic record of sea-level change: in Revelle, R. (*ed.*), *Sea-Level Change*, National Research Council, Studies in Geophysics, National Academy Press, Washington, p. 116-140.
